

AUM COMPUTER SCIENCE CLUB

FRIDAY, OCTOBER 26, 2018

12:30-2:00 PM

GOODWYN HALL ROOM 201

CLUB PROJECTS

Brainstorming began last month; now it's time to pick a project and work on it!

Agenda:

- Brainstorm IoT (Internet of Things) project ideas.
- Pick one or two.
- Begin requirements analysis and solution brainstorming.

If you are interested, come join us. You don't have to be a Computer Science, Math, or Pre-engineering major to help. We're all learning together.

Open and free to all AUM students and faculty
Refreshments will be provided
