

# **AUM MATH CLUB**

Friday, February 1, 2019

12:30 pm-2:00 pm

Goodwyn Hall Room 201

## **Spring Kickoff and Math Jeopardy**

Come join us to learn about Math outside of the classroom! Upcoming events and activities will be discussed.

We will also play a game of Math Jeopardy! This is a game like regular Jeopardy where an answer will be provided, and the team must come up with the question – only with Math as the topic.

**Open and free to all AUM students and faculty**  
**Pizza and refreshments will be provided**
