

# **AUM Math Club**

Friday, February 15, 2019

12:30 pm-2:00 pm

Goodwyn Hall Room 201

## **Math Jeopardy**

A fabulous activity that allows you to learn while you play, math jeopardy has a little bit of everything in it. From mathematician trivia, theorem names, and probability problems, to calculus problems and clever plays on math words, you'll see a variety of answers challenging you to come up with the corresponding questions. Join us Friday for pizza, math, and fun!

**Open and free to all AUM students and faculty**  
**Pizza and refreshments will be provided**
