2020 Officer Candidates

# For President: Hyacintha Bisimwa

Hi everyone,

My name is Hyacintha Bisimwa and I am a sophomore Biology/Pre-health major student. As I learned a lot being the Math Club secretary the last semester, being a part of the team has made me want to do more for the club to grow and to be known. That is why I am running for president of the Math Club.

## For Vice-President: Taylor Richardson

- Hi. My name is Taylor Richardson and I am the current Vice President for the AUM Math Club. My major here at AUM is Biology - Pre-Health Sciences. I would love to continue my position as Vice President because I enjoyed coming up with ideas for games and meeting up with others in office and our advisers. Please choose me as AUM Math Club's Vice President for the Spring 2020-Spring 2021 term.

## For Treasurer: Briana Bradshaw

---

- Hi, I'm Briana Bradshaw and I am a Nursing Major. I will be running for the Math Club's treasurer position. I currently hold this position and I enjoy it a lot. I hope to continue serving this semester through January 2021.
